IE Computing Account Memo for Lei Yiming (S1155240054)

UNIX/Email Account Information:

Login Name	[redacted]
Password	[redacted]
Email Address	ly225@ie.cuhk.edu.hk
Online Storage	50GB

Your IE UNIX/Email account is used for you to login your IE email account, Linux machines (lx1-4),IE SSLVPN, IE Intranet, etc.

Please note that the majority of departmental communications will be directed to your IE email account, with a duplicate sent to your CUHK and your registered 3rd party email account. We highly recommend using your CUHK email for all departmental correspondences. Utilizing external free email addresses poses a risk of accidental filtering by our email gateway. To get started promptly, you can access your account or our IE webmail (http://webmail.ie.cuhk.edu.hk) to access these emails. Detailed information, including email account setup, password changes, IE SSLVPN logins, and the IE Network Acceptable

IE Computing Account Memo for Lei Yiming (S1155240054)

UNIX/Email Account Information:

Login Name	[redacted]
Password	[redacted]
Email Address	ly225@ie.cuhk.edu.hk
Online Storage	50GB

Your IE UNIX/Email account is used for you to login your IE email account, Linux machines (lx1-4),IE SSLVPN, IE Intranet, etc.

Please note that the majority of departmental communications will be directed to your IE email account, with a duplicate sent to your CUHK and your registered 3rd party email account. We highly recommend using your CUHK email for all departmental correspondences. Utilizing external free email addresses poses a risk of accidental filtering by our email gateway. To get started promptly, you can access your account or our IE webmail (http://webmail.ie.cuhk.edu.hk) to access these emails. Detailed information, including email account setup, password changes, IE SSLVPN logins, and the IE Network Acceptable Use Policies, can be found at http://wiki.ie.cuhk.edu.hk. Kindly note that most IE services require an IE SSLVPN login; you can refer to https://staff.ie.cuhk.edu.hk/~service/sslvpn/ (which requires an IE account login) for the installation guide.

If you have any problem, you can contact us by sending email to service@ie.cuhk.edu.hk or come to IE Lab Office (Rm1005, MWM Engineering Building).

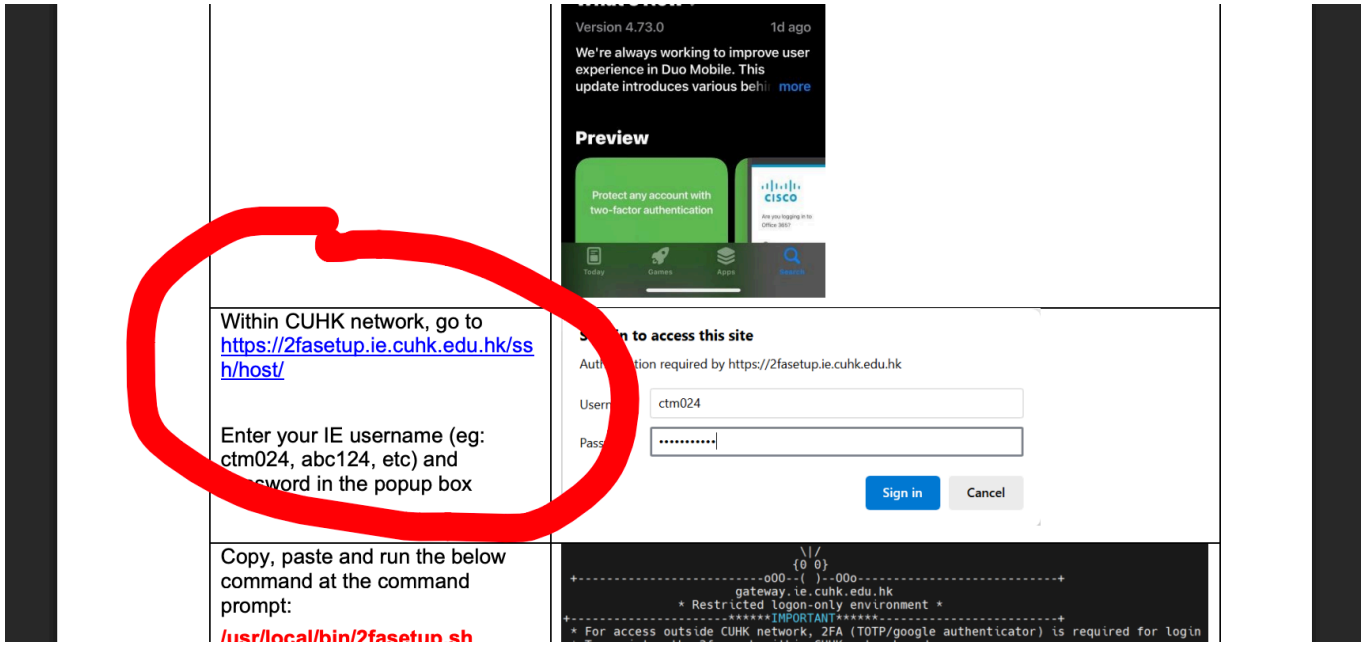
是一个pdf

点击这个链接，输入邮箱的 name 和password

(ps: 如果之前输入错误，使用无痕浏览，这样就可以重新输入了)



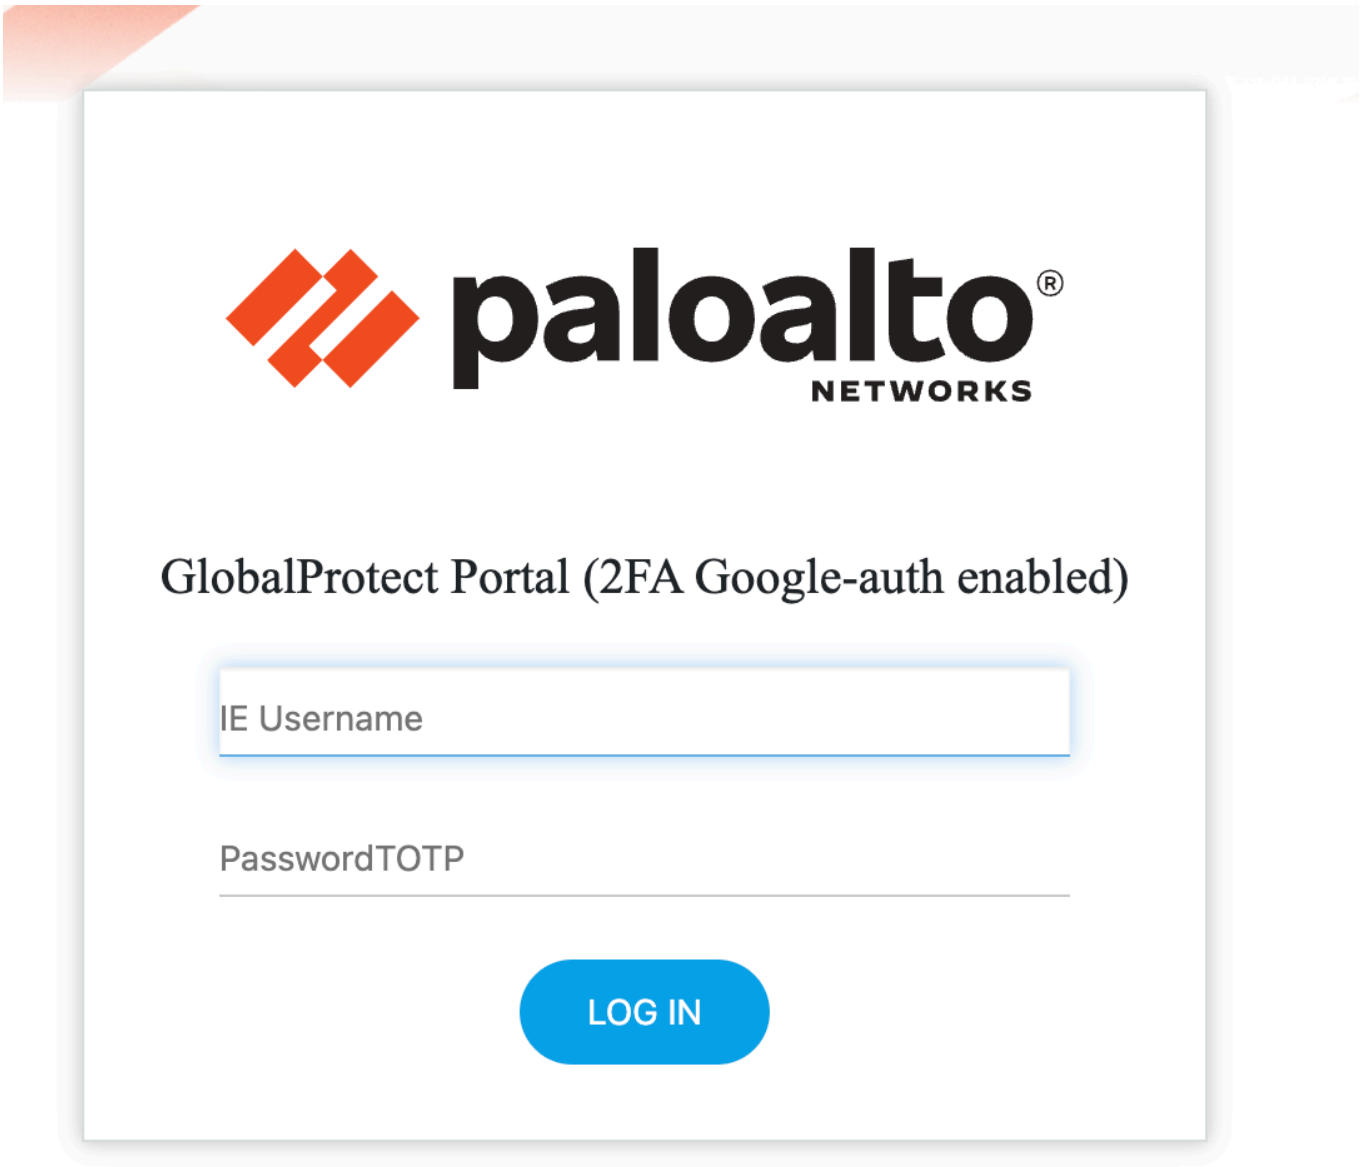
进去成功之后，会看到

```
                                  \|/
                                 {0 0}
 +--------------------------oOO--( )--OOo----------------------------+
                        gateway.ie.cuhk.edu.hk
                 * Restricted logon-only environment *
+----------------------******IMPORTANT******-------------------------+
 * For access outside CUHK network, 2FA (TOTP/google authenticator) is required for login
 * To register the 2fa, ssh within CUHK network and run
   /usr/local/bin/2fasetup.sh
   use CUHK DUO mobile app to scan the QRcode and
 * Input DUO generated code when prompt for verfication code
 +-----------------------------------------------------------------+
 * Pls logon using ssh to OTHER IE HOSTS to do real work.
 * You can login IE LAB linux hosts from lx1 - lx4 for general linux jobs
 * You can login IE CIC from cic1 - cic24 to run CPU intensive jobs
 * For file transfer, Use scp/sftp client (eg: winscp) to gateway.ie.cuhk.edu.hk
 * Email service@ie.cuhk.edu.hk for help
 * You can use https://webmail.ie.cuhk.edu.hk to check email using web
 * cat /etc/motd to re-read the message
Last failed login: Sat Feb 28 15:20:20 HKT 2026 from 137.189.98.14 on ssh:notty
There were 2 failed login attempts since the last successful login.
[ly225@gateway ~]$ /usr/local/bin/2fasetup.sh
```

然后输入，`/usr/local/bin/2fasetup.sh`
会出现二维码

使用duo mobile 扫描这个二维码，手机有一个新的account

打开链接
https://sslvpn.ie.cuhk.edu.hk/global-protect/login.esp



username就是邮箱的账号
password是，邮箱的password + duo里面的六位数字

进入页面

GlobalProtect Portal (2FA Google-auth enabled)
